SKI PATROL

EMERGENCY? CALL 541-693-0911

The members and avalanche dogs of Ski Patrol welcome you to Mt. Bachelor. Look for Ski Patrol in red and black with white crosses. Ask any patroller or other mountain personnel for information or assistance.

If someone is injured or in a collision: cross a pair of skis uphill from the incident to warn oncoming traffic and send someone for help or call to report the location, type of injury and description of the injured party. Oregon law requires you to stay on scene of a collision.

Mountain Park zones are rated by feature size, and are relative to each other within Mt. Bachelor's network of features. Find your Zone size, start small, and work your way up.
